

Holmen Area Foundation Community Enhancement Grant

Guidelines for Holmen Area Foundation Community Enhancement Grant

The Community Enhancement Grant seeks to provide financial support that strengthens and encourages charitable projects, making a difference in the quality of life for the area.

Grant application forms are available by writing to:

Holmen Area Foundation
Community Enhancement Grant
P.O. Box 432
Holmen, WI. 54636

Application deadlines are September 25 and January 25 of each year. Please allow time for mailing when submitting grant applications to meet the deadlines. Questions may be referred to Holmen Area Foundation Grant Committee Chairperson at P.O. Box 432, Holmen, WI 54636 or by calling 526-6610 and asking for Holmen Area Foundation Grant Committee information.

Grant proposals will be considered on the basis of how they will benefit the community with special emphasis given to the grant requests that include: social services, health, arts, leadership, conservation and preservation, including historical and cultural. The Holmen Area Foundation's goals are to create partnerships with the communities it serves and attempts to understand both the specific objectives of the request and the long-term benefits that will be derived by the community if the project is funded.

The Holmen Area Foundation favors innovative proposals that:

- build upon the strength of the community
- help people help themselves
- promote collaboration and reduce duplication of services
- demonstrate a strong volunteer involvement
- provide leadership development
